"The Survivalist may be the **best post-apocalyptic series out there**," raves Steve Erwood of the *Disaster Preparedness Blog*. "In addition to a steady stream of gunfights with zombie-like mutants, roadway bandits, and opportunistic warlords, the books teach dozens of **useful survival tricks**. Learn to hotwire cars, construct homemade booby traps, build garbage-powered generators, and retrieve fuel from abandoned gas pumps."

Bryan Foster, author of *The Prepper's Handbook*, says "It's rare to find books this entertaining that are so well researched." Nicholas Sansbury Smith, author of *Extinction Horizon*, adds "The Survivalist books are **incredibly addictive**. They create a **cool western vibe** not seen since Louis L'Amour's timeless classics."

*Finest Hour* is the **sixth book** in a series described as "**a cross between Justified and The Walking Dead**." An elite group of military assassins are preparing for an assault on the Greenbrier bunker, their mission to remove all traces of President Glass and her supporters. It is up to Deputy Marshal Mason Raines, his giant Irish wolfhound, Bowie, and a beautiful Mossad agent to stop them. But as they race across the country, new dangers threaten to disrupt their plans, including ravagers that terrorize the roadways in armored cars.

When Mason stops to search for munitions at an Army depot, he is recruited by a corps of young cadets to help recover their missing commandant. Little does he know that the depot has become the home for hundreds of bloodthirsty survivors. Pinned down and hopelessly outnumbered, Mason must put his skills and trusty Supergrade to the ultimate test.

Tanner and Samantha depart on a quest to put an end to President Pike's growing tyrannical rule. Along the way, they must confront the most violent of men, including a psychotic Delta Force soldier who has taken to skinning his victims, and a band of Mexican drug dealers that insist on young Samantha's help in recovering their lost payload. Only as they push into the nation's capital, does Samantha realize that Tanner plans to call upon her father's killer to help them survive the terror that fills the tunnels beneath the city.
